

Members Meeting - Sunday March 2, 2025

We thank God for His blessing on our worship as we met together Sunday March 2 for our Members Meeting. We want you to be aware of a couple of highlights in particular.

1) New Members

We voted and welcomed 3 people into membership!

Charlotte Stevens

Charlotte has been attending here for several years now. We have been blessed and encourage to see her baptized and to watch her grow in love and service for Jesus. Charlotte is connected with the C&C and is part of the Ballanger small group. She also assists with our music ministry.

Scott and Justine McKenzie

Scott and Justine are fairly new to PPBC, but also not so new. We have been blessed to get to know them through children ministry as their four children (Boaz, Judah, Emerald and Ezra) have been part of Dugout and Soccer. They come to us from our sister church, Renaissance Baptist Church in Brooklin. They were heavily invested in life and ministry at RBC and they thank God for His blessings on their family through their brothers and sisters over the past 10 years.

Scott also comes with skills, training, experience and a heart for pastoral ministry. He has both an undergrad and masters degree from Toronto Baptist Seminary and has most recently served as a lay elder at RBC. They are prayerfully considering how God might use them in future ministry.

All of that to say, you can expect to see Scott quickly involved in things around here as he looks to expand his pastoral gifts and experience.

2) Changes To Ministry Staff

Josh & Jenna Anderson

As you know, we have been prayerfully considering a proposal to add Josh to our ministry staff as Family Ministry Director. While Jenna has served as our Children Ministry Director the past few years she will be stepping down the end of May as they eagerly anticipate the arrival of their first child. We are very pleased to announce that the proposal to add Josh to our team beginning in June was unanimously and joyfully accepted by our members.
